

Your Mass Audubon Earth Week Calendar, April 2020

Sunday

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

EARTH DAY'S 2020 THEME OF CLIMATE ACTION reflects our most pressing, current environmental problem. Climate change is happening here and now – and we can solve the climate crisis by fighting it together. To Celebrate Earth Day, we've compiled a full week of events that we can partake in safely, even while social distancing, so that we still tackle the climate crisis as a community.
